OUR LEADERSHIP

Anjum Saiyed - Founder

With over 18 years of experience in sales and finance, Mr. Saiyed leads the strategic direction of the organization. His innovative approach creates business opportunities and implements optimized operations.

Ayesha Saiyed - Co-founder

With 10+ years in sales and customer relations, Ms. Saiyed spearheads business operations. Her expertise handles logistical challenges and simplifies complex processes.

OUR FUTURE GOALS

- **Expand Product Portfolio**
Add more products from different categories, ensuring a broader range for our clients.
- **Industry Leadership**
Become a prominent export-player, setting new yardsticks in the industry.
- **Technological Innovation**
Introduce an in-house App to manage and automate export-processes.
- **Global Expansion**
Extend and strengthen global reach, emerging as a distinguished identity of India in the international arena.
