# OUR LEADERSHIP

## Anjum Saiyed - Founder

With over 18 years of experience in sales and finance, Mr. Saiyed leads the strategic direction of the organization. His innovative approach creates business opportunities and implements optimized operations.

## Ayesha Saiyed - Co-founder

With 10+ years in sales and customer relations, Ms. Saiyed spearheads business operations. Her expertise handles logistical challenges and simplifies complex processes.

# OUR FUTURE GOALS

- **Expand Product Portfolio**  
Add more products from different categories, ensuring a broader range for our clients.
- **Industry Leadership**  
Become a prominent export-player, setting new yardsticks in the industry.
- **Technological Innovation**  
Introduce an in-house App to manage and automate export-processes.
- **Global Expansion**  
Extend and strengthen global reach, emerging as a distinguished identity of India in the international arena.
